25.205 Postaward determinations.

- (a) If a contractor requests a determination regarding the inapplicability of the Buy American statute after contract award, the contractor *must* explain why it could not request the determination before contract award or why the need for such determination otherwise was not reasonably foreseeable. If the *contracting officer* concludes that the contractor *should* have made the request before contract award, the *contracting officer may* deny the request.
- (b) The *contracting officer must* base evaluation of any request for a determination regarding the inapplicability of the Buy American statute made after contract award on information required by paragraphs (c) and (d) of the applicable clause at 52.225-9 or 52.225-11 and/or other readily available information.
- (c) If a determination, under $\underline{25.202}$ (a), is made after contract award that an exception to the Buy American statute applies, the *contracting officer must* negotiate adequate consideration and modify the contract to allow use of the *foreign construction material*. When the basis for the exception is the unreasonable price of a *domestic construction material*, adequate consideration is at least the differential established in $\underline{25.202}$ (a) or in accordance with agency procedures.
