

25.504-2 WTO GPA/Caribbean Basin Trade Initiative/FTAs.

Example 1.

| | | |
|----------------|-----------|---|
| <i>Offer A</i> | \$304,000 | <i>U.S.-made end product (not domestic)</i> |
| <i>Offer B</i> | \$303,000 | <i>U.S.-made end product (domestic), small business</i> |
| <i>Offer C</i> | \$300,000 | <i>Eligible product</i> |
| <i>Offer D</i> | \$295,000 | <i>Noneligible product (not U.S.-made)</i> |

Analysis: Eliminate *Offer D* because the *acquisition* is covered by the *WTO GPA* and there is an *offer* of a U.S.-made or an *eligible product* (see [25.502\(b\)\(1\)](#)). If the agency gives the same consideration given *eligible offers* to *offers* of *U.S.-made end products* that are not *domestic offers*, it is unnecessary to determine if *U.S.-made end products* are domestic (large or small business). No further analysis is necessary. Award on the low remaining *offer*, *Offer C* (see [25.502\(b\)\(2\)](#)).
