29.401-4 New Mexico gross receipts and compensating tax.

(a) *Definition*.

Services, as used in this subsection, is as defined in the Gross Receipts and Compensating Tax Act of

the State of New Mexico, Sec 7-9-3(k) NM SA1978, and means all activities engaged in for other persons for a consideration, which activities involve predominately the performance of a service as distinguished from selling or leasing property. "Services" includes activities performed by a person for its members or shareholders. In determining what is a service, the intended use, principal objective or ultimate objective of the *contracting parties shall not be controlling*. "Services" also includes *construction* activities and all tangible *personal property* that will become an ingredient or *component* part of a *construction* project. Such tangible *personal property* retains its character as tangible *personal property* until it is installed as an ingredient or *component* part of a *construction* project in New Mexico. However, sales of tangible *personal property* that will become an ingredient or *component* part of a *construction* project to persons engaged in the *construction* business are sales of tangible *personal property*.
