## **32.905** Payment documentation and process.

(a) *General*. Payment will be based on receipt of a *proper invoice* and satisfactory contract performance.

(b) Content of *invoices*.

(1) A *proper invoice must* include the following items (except for interim payments on cost reimbursement contracts for services):

(i) Name and address of the contractor.

(ii) *Invoice* date and *invoice* number. (Contractors *should* date *invoices* as close as possible to the date of mailing or transmission.)

(iii) Contract number or other authorization for *supplies* delivered or services performed (including order number and *line item number*).

(iv) Description, quantity, unit of measure, unit price, and extended price of *supplies* delivered or services performed.

(v) Shipping and payment terms (*e.g., shipment* number and date of *shipment, discount for prompt payment* terms). Bill of lading number and weight of *shipment* will be shown for *shipments* on Government bills of lading.

(vi) Name and address of contractor official to whom payment is to be sent (*must* be the same as that in the contract or in a proper notice of assignment).

(vii) Name (where practicable), title, phone number, and mailing address of person to notify in the event of a defective *invoice*.

(viii) *Taxpayer Identification Number (TIN*). The contractor *must* include its TIN on the *invoice* only if required by agency procedures. (See <u>4.9</u> TIN requirements.)

(ix) *Electronic funds transfer (EFT*) banking information.

(A) The contractor *must* include EFT banking information on the *invoice* only if required by agency procedures.

(B) If EFT banking information is not required to be on the *invoice*, in order for the *invoice* to be a *proper invoice*, the contractor *must* have submitted correct EFT banking information in accordance with the applicable *solicitation* provision (*e.g.*, <u>52.232-38</u>, Submission of *Electronic Funds Transfer* Information with *Offer*), *contract clause* (*e.g.*, <u>52.232-33</u>, Payment by *Electronic Funds Transfer-System for Award Management*, or <u>52.232-34</u>, Payment by *Electronic Funds Transfer*-Other Than *System for Award Management*), or applicable agency procedures.

(C) EFT banking information is not required if the Government waived the requirement to pay by EFT.

(x) Any other information or documentation required by the contract (*e.g.*, evidence of *shipment*).

(2) An interim payment request under a cost-reimbursement contract for services constitutes a *proper invoice* for purposes of this subsection if it includes all of the information required by the contract.

(3) If the *invoice* does not comply with these requirements, the *designated billing office must* return it within 7 days after receipt (3 days on contracts for meat, meat food *products*, or fish; 5 days on contracts for perishable agricultural commodities, dairy *products*, edible fats or oils, and food *products* prepared from edible fats or oils), with the reasons why it is not a *proper invoice*. If such notice is not timely, then the *designated billing office must* adjust the *due date* for the purpose of determining an interest penalty, if any.

(c) Authorization to pay. All invoice payments, with the exception of interim payments on costreimbursement contracts for services, must be supported by a receiving report or other Government documentation authorizing payment (e.g., Government certified voucher). The agency receiving official should forward the receiving report or other Government documentation to the designated payment office by the 5th working day after Government acceptance or approval, unless other arrangements have been made. This period of time does not extend the due dates prescribed in this section. Acceptance should be completed as expeditiously as possible. The receiving report or other Government documentation authorizing payment must, as a minimum, include the following:

(1) Contract number or other authorization for *supplies* delivered or services performed.

(2) Description of *supplies* delivered or services performed.

(3) Quantities of *supplies* received and accepted or services performed, if applicable.

- (4) Date *supplies* delivered or services performed.
- (5) Date that the designated Government official-
- (i) Accepted the *supplies* or services; or

(ii) Approved the progress payment request, if the request is being made under the clause at <u>52.232-5</u>, Payments Under Fixed-Price *Construction* Contracts, or the clause at <u>52.232-10</u>, Payments Under Fixed-Price Architect-Engineer Contracts.

(6) *Signature*, printed name, title, mailing address, and telephone number of the designated Government official responsible for acceptance or approval functions.

(d) *Billing office*. The *designated billing office must* immediately annotate each *invoice* with the actual date it receives the *invoice*.

(e) *Payment office*. The *designated payment office* will annotate each *invoice* and *receiving report* with the actual date it receives the *invoice*.
