## 47.502 Policy.

- (a) The policy of the *United States* regarding the use of *U.S.-flag vessels* is stated in the following acts:
- (1) The Cargo Preference Act of 1904 ( $\underline{10~U.S.C.~2631}$ ), which requires the Department of Defense to use only U.S.-flag vessels for ocean transportation of supplies for the Army, Navy, Air Force, or Marine Corps unless those vessels are not available at fair and reasonable rates.
- (2) The Merchant Marine Act of 1936 (46 U.S.C. 1101), which declares it is the policy of the *United States* to foster the development and encourage the maintenance of its merchant marine.
- (3) The Cargo Preference Act of 1954 (46 U.S.C. 1241(b), which is Section 901(b) of the Merchant Marine Act). Under this Act, Government agencies acquiring, either within or outside the *United States, supplies* that *may* require ocean transportation *shall* ensure that at least 50 percent of the gross tonnage of these *supplies* (computed separately for *dry bulk carriers*, *dry cargo liners*, and *tankers*) is transported on *privately owned U.S.-flag commercial vessels* to the extent that such vessels are available at rates that are fair and reasonable for U.S.-flag commercial vessels. This applies when the *supplies* are-
- (i) Acquired for the account of the *United States*;
- (ii) Furnished to, or for the account of, a foreign nation without provision for reimbursement;
- (iii) Furnished for the account of a foreign nation in connection with which the *United States* advances funds or credits, or guarantees the convertibility of foreign currencies; or
- (iv) Acquired with advance of funds, loans, or guaranties made by or on behalf of the *United States*.
- (b) Additional policies providing preference for the use of *U.S.-flag vessels* are contained in-
- (1) <u>46 U.S.C. 1241(a)</u> for official business travel by officers and employees of the *United States* and for the transportation of their personal effects; and
- (2) <u>46 U.S.C. 1241(e)</u> for the transportation of motor vehicles owned by Government personnel when transportation is at Government expense or otherwise authorized by law.
- (c) The provisions of the Cargo Preference Act of 1954 *may* be temporarily waived when the Congress, the President, or the Secretary of Defense declares that an *emergency* justifying a temporary waiver exists and so notifies the appropriate agency or agencies.
