(ii) The Government, to the extent permitted by law and regulation, will safeguard and treat information obtained pursuant to the Contractor's disclosure as confidential where the information has been marked "confidential" or "proprietary" by the company. To the extent permitted by law and regulation, such information will not be released by the Government to the public pursuant to a Freedom of Information Act request, [5 U.S.C. Section 552](#), without prior notification to the Contractor. The Government *may* transfer documents provided by the Contractor to any department or agency within the Executive Branch if the information relates to matters within the organization's jurisdiction.

This paragraph (c) does not apply if the Contractor has represented itself as a small business concern pursuant to the award of this contract or if this contract is for the *acquisition* of a *commercial product* or *commercial service* as defined at FAR [2.101](#). The Contractor *shall* establish the following within 90 days after contract award, unless the *Contracting Officer* establishes a longer time period:

(1) An ongoing business ethics awareness and compliance program.

(i) This program *shall* include reasonable steps to communicate periodically and in a practical manner the Contractor's standards and procedures and other aspects of the Contractor's business ethics awareness and compliance program and internal control system, by conducting effective training programs and otherwise disseminating information appropriate to an individual's respective roles and responsibilities.

(ii) The training conducted under this program *shall* be provided to the Contractor's principals and employees, and as appropriate, the Contractor's *agents* and *subcontractors*.

(D) An internal reporting mechanism, such as a hotline, which allows for anonymity or confidentiality, by which employees *may* report suspected instances of improper conduct, and instructions that encourage employees to make such reports.

(E) Disciplinary action for improper conduct or for failing to take reasonable steps to prevent or detect improper conduct.

(F) Timely disclosure, *in writing*, to the agency OIG, with a copy to the *Contracting Officer*, whenever, in connection with the award, performance, or closeout of any Government contract performed by the Contractor or a *subcontract* thereunder, the Contractor has credible evidence that a principal, employee, *agent*, or *subcontractor* of the Contractor has committed a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 U.S.C. or a violation of the civil False *Claims Act* (31 U.S.C. 3729-3733).

(1) If a violation relates to more than one Government contract, the Contractor *may* make the disclosure to the agency OIG and *Contracting Officer* responsible for the largest dollar value contract impacted by the violation.

(2) If the violation relates to an order against a *Governmentwide acquisition contract*, a *multi-agency*

contract, a multiple-award schedule contract such as the Federal Supply Schedule, or any other *procurement* instrument intended for use by multiple agencies, the contractor *shall* notify the OIG of the ordering agency and the IG of the agency responsible for the basic contract, and the respective agencies' *contracting officers*.
