## 217.7102 General.

- (a) Activities shall enter into master agreements for repair and alteration of vessels with all prospective contractors located within the United States or its outlying areas, which—
- (1) Request ship repair work; and
- (2) Possess the organization and facilities to perform the work satisfactorily. (Issuance of a master agreement does not indicate approval of the contractor's facility for any particular acquisition and is not an affirmative determination of responsibility under FAR Subpart 9.1 for any particular acquisition.)
- (b) Activities may use master agreements in work with prospective contractors located outside the United States and its outlying areas.
- (c) Activities may issue job orders under master agreements to effect repairs, alterations, and/or additions to vessels belonging to foreign governments.
- (1) Contractors shall treat vessels of a foreign government as if they were vessels of the U.S. Government whenever requested to do so by the contracting officer.
- (2) Identify the vessel and the foreign government in the solicitation and job order.
