

# 519.704 Subcontracting plan requirements.

(a) *Subcontracting plan goals for individual and commercial subcontracting plans.* Subcontracting plans for GSA acquisitions must identify subcontracting goals in terms of total subcontract dollars planned and percentages of total subcontract dollars planned for each category (e.g., other than small business, small business, women owned small business). However, it is not required to list goals as a percentage of total contract value for GSA acquisitions.

*Master plans.* Master plans (see FAR [19.701](#) and [19.704\(b\)](#)) are separate from commercial plans and individual plans, and do not contain subcontracting goals. As such, offerors may use a master plan in developing an individual subcontracting plan, but an individual plan must still be submitted specific to the contract. (b)
