## 13.306 SF 44, Purchase Order-Invoice-Voucher.

The <u>SF 44</u>, *Purchase Order-Invoice-*Voucher, is a multipurpose pocket-size *purchase order* form designed primarily for on-the-spot, over-the-counter purchases of *supplies* and nonpersonal services while away from the purchasing office or at isolated activities. It also can be used as a *receiving report*, *invoice*, and public voucher.

- (a) This form *may* be used if all of the following conditions are satisfied:
- (1) The amount of the purchase is at or below the *micro-purchase threshold*, except for purchases made under unusual and compelling urgency or in support of *contingency operations*. Agencies *may* establish higher dollar limitations for specific activities or items.
- (2) The *supplies* or services are immediately available.
- (3) One delivery and one payment will be made.
- (4) Its use is determined to be more economical and efficient than use of other *simplified acquisition* procedures.
- (b) General procedural instructions governing the form's use are printed on the form and on the inside front cover of each book of forms.
- (c) Since there is, for all practical purposes, simultaneous placement of the order and delivery of the items, clauses are not required for purchases using this form.
- (d) Agencies *shall* provide adequate safeguards regarding the control of forms and accounting for purchases.
